Re: *Sheindlin v. Brady*, 21 cv 1124 (LJL)

Dear Judge Liman,

I represent plaintiff in this defamation case. *Pro se* defendant has requested the issuance of subpoenas from the clerk's office for Your Honor and two other federal judicial officers who have rendered decisions in litigation he filed.

I believe the request for these subpoenas is part of an ongoing campaign of harassment which should not be tolerated. I do not believe this case should be used for any purpose other than litigating the claims, defenses, and damages. As plaintiff's counsel, I know of no information any of the judicial officers have pertinent to the claim of defamation, any available defenses, or damages.

While I do not represent the judges or magistrate/judge of this court, as plaintiff's counsel and a longstanding member of the bar of this court, I object to issuance of these subpoenas and believe the Court should enter an Order to Show Cause requiring the defendant/proponent to set forth a good faith basis for their issuance or face sanctions for intentional misuse of our court system.

Respectfully submitted,

Michael H. Sussman [3497]
